

Good ways to touch people at school

	<p>I can tap someone lightly on the shoulder or arm to get their attention</p>
	<p>I can give a high 5 or fist bump to my classmate or teacher when something is good or to say "hi"</p>
	<p>I can shake hands when I meet someone new</p>
	<p>I can wave hello or good bye when I see a friend, teacher, or classmate</p>
